Forecast For Southwest England
Issued by Met Office Exeter
at 1600 on Friday 26 Feb 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Mild and sunny days, cold and frosty nights.

This Evening and Tonight:
A cold and dry night, with plenty of clear skies throughout. Frosty with fog patches forming in places, particularly around any rivers. Perhaps the odd bit of patchy cloud intruding towards the early hours. Minimum temperature -1 deg C (30 deg F).

Saturday:
Any fog patches may linger for a time, before clearing to give a fine and sunny day. Light winds, with frost reforming into the night. Maximum temperature 12 deg C (54 deg F).

Outlook for Sunday to Tuesday:
Fine and dry Sunday with clear skies. Cloudier Monday and Tuesday, but staying dry with occasional sunny spells. Mild days, colder nights with overnight frosts and fog patches.
